Service Animal Use Policy

The Shenandoah Area Council allows “service animals on Council owned properties including but not limited to Camp Rock Enon, Camp Sinoquipe, the Armstrong Scout Service Center and other office locations in compliance with federal, state and local laws.

It is always the responsibility of the person using a service animal to follow all policies and maintain control of the animal. At no time should a service animal be left “off leach” while on a Council owned property.

Scouts, Leaders/Adults, and visitors who require the use of a service animal, as defined by Federal and Virginia State law, are required at least one week in advance to notify the Council staff by completing the Special Needs notification form available at www.sac-bsa.org/SpecialNeeds .
